No 9/25/19 Ken says he plans to deny.

9/19/19 draft to Ken with options for denial and approval.

9/17/19 emails with [REDACTED] she said she noticed error when she was looking at her SF50. Also, she sent a prior SF50 where it listed Syracuse as her duty station.

6/12/19 [REDACTED] asked if any news on request. I wrote back that I'd asked IBC some questions in late May & hadn't heard answer. Sent 5/20 email to IBC again.

5/20/19 emailed IBC to see if debt still outstanding. Asked if salary overpayment was offset by refund of higher taxes. Asked for copy of decision on taxes. Doesn't seem right that government can take higher taxes out, then blame employee for not noticing, & then saying she doesn't get it back.

5/20/19 emailed [REDACTED] b/c an email indicates that waiver package OGC has may not be complete. [REDACTED] called to clarify whether this is about the salary overpayment or the tax issue. She will send original package. She says that higher NYC taxes were taken out of her pay for 3 years. (MMO was included on some of the email traffic about tax issue). She says IBC told her in a voicemail message that she isn't going to get that \$ back because she should have noticed the higher tax rate. She said she never received a written decision about taxes.

9/7/19 [REDACTED] can't find notification email of EOPF, but forwards this email from her HR person: "The notice is generated nightly.

Example...once HR processes the action in FPPS today then the employee receives notification the next day that a document is in their eOPF. But both are systems so sometimes it may go thru and then other times it may take longer then 24hrs depending on what else is going on with the other systems that connect to FPPS such as WTTS."

9/7/18 received redacted SF50s & requested information from employee ELSs PPs 04-10 for 2018 and SF-50 Approved 2/16/18.

9/6/18 Requested information below from CFC. Angela Johnston says she doesn't have access to those documents.

8/29/18 contacted Angela Johnston per letter in waiver package & requested copies of [REDACTED] ELSs for the 3 pay periods in question; the SF50 promoting her to the GS14 position; & when she was notified that that SF50 was in her OEPPF from Angela Johnston.
